CAMPING

Camping tickets are available for both full weekend and day ticket holders. The charge is for tent space not the people inside, so camping costs may be shared. One camping ticket entitles you to a plot large enough for a 2/3 berth tent space of max size 4.5m x 3.5m inc guy ropes, measured from the longest to the widest point.

To camp, you must purchase a Full Festival ticket or Day ticket and sufficient Camping tickets for the size of your tent for the campsite of your choice. Due to Fire Officer recommendations, awnings or canopies must not link tents. A clear 2m will be required around each small tent and a clear 5m around each large tent. Each tent, awning or canopy will require its own Camping ticket. We recommend the use of flame retardant tents. The campsite will not open until 1pm on the Friday. Do not arrive until after this time as there will be no access to the Festival and the Police will move vehicles on.

Camping for 2026 is at Cherry Hinton Hall only.

CHERRY HINTON HALL CAMPSITE

Cherry Hinton Hall campsite is a beautiful park complete with a duckpond, sculpture, lovely trees and country house. The campsite surrounds and is just a short walk from the main arena and all the Festival's facilities and has a wonderful atmosphere. Also within the campsite is a purpose built paddling pool and children's playground.

You must purchase sufficient camping space for the size of your tent or you will be charged onsite. Preventing traffic congestion is essential for the future of the Festival. There is no unauthorised unloading at or near Cherry Hinton Hall Campsite other than for disabled people and those with trailer tents. You must drive straight to the car park, unless you are disabled or have a trailer tent.

It is a 15 minute walk from the car park to Cherry Hinton Hall Campsite. If there is no traffic congestion on the day, authorised drop off at Cherry Hinton Hall Campsite will be allowed to those with greater need e.g. customers with: large numbers of children; children under 5; an injury or illness; bulky or large amounts of musical instruments; large amounts of equipment; or customers who are elderly.

Stewards at the car parks will control authorised drop off; you must still drive to the car park first.

Facilities for disabled people include: drop-off area for camping equipment; changing spaces unit, wheelchair accessible toilets; limited number of accessible viewing spaces for all stages.

Due to limited space, if you must bring a chair into the arena, we prefer the use of small, folding, low back supports. In the interests of safety, chairs or other items which may cause an obstruction in an emergency or hinder access are not allowed within marquees. Please refer to our chair etiquette policy on our website [HERE](#).
